Special Programs of interest to exchange students:

The Writing Center offers students free academic writing support. With both in-person and online sessions with professional consultants available, the Baruch Writing Center offers students assistance on any step in the writing process, from brainstorming about ideas to final revisions of a paper.

The only program of its kind in the U.S., Tools for Clear Speech is designed to help non-native English speakers improve their oral communication skills. The program offers workshops and one-on-one sessions, small group conversation hours, focused skills series, and oral communication video assessments.

The Student Academic Consulting Center provides tutoring services in most subjects to Baruch students. From one-on-one instructional sessions to support material such as videos, software, reference books and handouts, The "SAC Center" provides students the tools they will need to succeed academically in any subject.
