Department of Architecture and Urban Culture

For Master's Program, students are required to have Japanese language skills higher than or equivalent to JLPT N2 Level since most of the courses are conducted in Japanese.

Title	Name	Research Field	Language Requirements	Type of Students Accepted			Remarks
				Doctoral	Master's	Research	
Professor	CHO Seigen (ZHANG Qingyuan)	Building Environmental Engineering	Japanese or English or Chinese	✓	✓	✓	
Professor	HIKOE Tomohiro	French Literature (20th century)	Japanese		✓		
Professor	KIYOTA Tomonori	Cultural Studies, Critical Theory, Psychoanalysis	Japanese or English		✓	✓	
Professor	KOJIMA Kazuhiro	Architectural Design and Urban Design, Y-GSA	Japanese or English		✓		
Professor	KURENUMA Norihisa	Contemporary Art Theory	Japanese or English	✓	✓		
Professor	MUROI Hisashi	Philosophy, Aesthetics, Semiotics, Cultural Studies, Media Studies	Japanese or English	✓			
Professor	NISHIZAWA Ryue	Architectural Design and Urban Design, Y-GSA	Japanese or English		✓		
Professor	OHARA Kazuoki	Theory of Architectural Planning, Environment-Behavior Study	Japanese or English	✓			
Professor	ONO Satoshi	History of Japanese Architecture, Architectural Preservation in Japan	Japanese or English	✓			
Professor	SADOHARA Satoru	Urban Environmental Planning, Urban Infrastructure Planning, Urban Safety Planning, Geographic Information Sciences	Japanese or English	✓	✓	✓	
Professor	TAKAMIZAWA Minoru	Urban Planning, Urban Renewal, Community Planning	Japanese or English	✓	✓		
Professor	TAGAWA Yasuhisa	Steel Structures, Composite Structures, Earthquake Resistant Design	Japanese or English	✓			
Professor	TASAI Akira	Reinforced Concrete Structures, Earthquake Resistant Design, Seismic Strengthening of Existing Buildings	Japanese or English	✓			
Associate Prof.	EGUCHI Toru	Building Construction, Management of Building Process, Maintenance and Renovation	Japanese or English		✓		
Associate Prof.	FUJIWARA Teppei	Architectural Design and Urban Design, Y-GSA	Japanese or English		✓		
Associate Prof.	FUJIOKA Yasuhiro	Theory of Architectural Planning, Sustainable Planning and Design Research, Housing Design	Japanese or English	✓			
Associate Prof.	HIRAKURA Kei	Art Theory, Theory of Perception	Japanese or English		✓		
Associate Prof.	KAWABATA Masaya	Structural Design and Analysis, Membrane Structures, Spatial Structures	Japanese or English	✓	✓	✓	
Associate Prof.	MATSUMOTO Yuka	Structural Dynamics, Earthquake Resistant Design	Japanese or English	✓			
Associate Prof.	MORITA Masashi	History of Islamic Architecture, History of European Architecture	Japanese or English		✓		
Associate Prof.	NAKAGAWA Katsushi	Sound Studies	Japanese or English	✓	✓		
Associate Prof.	NOHARA Taku	Urban Planning, Urban Design, Community Development	Japanese or English		✓		
Associate Prof.	SUGAWA Akiko	Popular Culture (anime, manga), Gender Studies, Audience Studies, Contents Tourism	Japanese or English		✓	✓	
Associate Prof.	SUGIMOTO Kuniyoshi	Reinforced Concrete Structures	Japanese or English		✓		
Associate Prof.	TANAKA Ineko	Built Environment, Sustainable Planning for Architecture, Built Environment Education	Japanese or English	✓	✓		
Associate Prof.	YOSHIDA Satoshi	Urban Environment Planning, Urban Safety Planning, Urban Energy System Planning, Geographic Information Systems, Urban Infrastructure Planning	Japanese or English	✓	✓	✓	

NB: All doctoral students will belong to the Department of Urban Innovation.

Department of Infrastructure and Urban Society

Except courses in International Graduate School of Infrastructure (IGSI), students are required to have Japanese language skills higher than or equivalent to JLPT N2 Level for Master's Program since most of the courses are conducted in Japanese. IGSI runs all lectures, studio education and supervision for Master's dissertation in English.

Title	Name	Research Field	Language Requirements	Type of Students Accepted			Remarks
				Doctoral	Master's	Research	
Professor	FUJIKAKE Yoko	Development Anthropology, Gender and Development studies, Paraguay area studies	Japanese or English or Spanish	✓	✓	✓	
Professor	HAYANO Kimitoshi	Geomaterial, Soil stabilization, Ground improvement, Geostructure preservation	Japanese or English	✓	✓	✓	IGSI
Professor	KATSUCHI Hiroshi	Structural Dynamics, Wind Engineering, Bridge Aerodynamics	Japanese or English	✓	✓	✓	IGSI
Professor	KOMIYA Masayasu	Cultural history of Europe, Social history of Europe	Japanese or English or German		✓		
Professor	KONAGAI Kazuo	Geotechnical Earthquake Engineering, Land Conservation, National Disaster Prevention	Japanese or English	✓	✓	✓	IGSI
Professor	NAKAMURA Fumihiko	Urban Transportation Planning, Public Transportation Management	Japanese or English	✓	✓	✓	IGSI
Professor	NAKAMURA Yoshiyuki	Environmental Engineering, Environmental Hydraulics, Coastal Engineering	Japanese or English	✓	✓	✓	IGSI
Professor	OSUKA Fumikazu	Russian thought, Religious philosophy, Political philosophy, Ethics	Japanese		✓	✓	
Professor	SAITO Asato	Urban Policy, Regional Development, Political Economy	Japanese or English	✓	✓	✓	
Professor	SHIROUZU Noriko	Modern Chinese Literature; Gender Theory, Resistance, Tradition	Japanese and Chinese	✓	✓	✓	Students are required to be capable of understanding literature in Japanese and Chinese.
Professor	SUKAWA Hidenori	Korean Economic History	Japanese	✓	✓	✓	Those wishing to take History of Korea are required to be capable of understanding literature in Korean.
Professor	TSUBAKI Tatsuya	Concrete Engineering, Structural Mechanics, Computational Structural Analysis	Japanese or English	✓	✓	✓	IGSI
Professor	YAMADA Hitoshi	Civil Engineering, Bridge Engineering, Cable-supported Bridges, Wind Engineering, Steel Structures, Structure Dynamics	Japanese or English	✓	✓	✓	IGSI
Professor	YOMOTA-TARUMI Chie	Japanese literature, Colonial culture, Taiwanese literature, Queer Studies	Japanese or Chinese		✓	✓	
Associate Prof.	HASEGAWA Hideki	Francophone Studies, EU Studies, Tourism, Island Studies	Japanese or French		✓	✓	
Associate Prof.	HOSODA Akira	Civil Engineering, Concrete Engineering, Maintenance Engineering	Japanese or English	✓	✓	✓	IGSI
Associate Prof.	KIKUMOTO Mamoru	Geotechnical Engineering, Applied Mechanics, Computational Geomechanics	Japanese or English	✓	✓	✓	IGSI
Associate Prof.	MATSUMOTO Hisashi	Cultural Anthropology, African Studies	Japanese or English	✓	✓	✓	
Associate Prof.	MATSUYUKI Mihoko	Urban/Spatial Planning in Developing Countries	Japanese or English	✓	✓		IGSI
Associate Prof.	NISHIO Mayuko	Structural Health Monitoring, Structural Dynamics, Structural Engineering	Japanese or English	✓	✓	✓	IGSI
Associate Prof.	Park SangMi	Modern Japanese history, East Asian relations	Japanese or English		✓		
Associate Prof.	SATO Mine	International Development Studies, Development Anthropology, Latin America	Japanese or English or Spanish		✓		
Associate Prof.	SUZUKI Takayuki	Coastal Engineering, Hydraulic Engineering	Japanese or English	✓	✓	✓	IGSI
Associate Prof.	TANAKA Shinji	Traffic Engineering, Traffic Management, ITS(Intelligent Transport Systems)	Japanese or English	✓	✓		IGSI

NB: All doctoral students will belong to the Department of Urban Innovation.
