

### The List of Professors Available for International Students

Please make use of this list (data as of April 1, 2016) to find your potential academic advisor. Further information such as the titles of his/her classes and contact address are available from “Academic Research Staff” <http://er-web.jmk.ynu.ac.jp/index-e.jsp>. If you cannot find his/her contact address from the site, please contact the appropriate graduate school.
